PLAYHOUSE

**Hooray! You are going
to see a show!**

You have scheduled a performance to **Brush Theatre's** production of *Doodle Pop!* at the *EQT Children's Theater Festival*.

This show will be in the PNC Theater at the Playhouse.

There will be a few other families watching the show alongside you.

Young people and grown-ups are all welcome to experience *Doodle Pop!* together.

Here's what to expect...

**You are going to the
Point Park University
Playhouse.**

There are two entrances. These are the main theater doors.

This is the courtyard entrance to the left of the main doors.

**You may
stop at the
Box Office
to pick up
your
tickets.**

You will meet several theater ushers. Ushers will be dressed in colorful festival t-shirts. They will take your ticket, help you find a seat.

You might also meet a Festival Guide. Guides are friendly helpers who might share a funny joke or help you decide where to go or what activities to participate in.

You might be able to participate in fun activities in the lobby before the show.

You will find
Doodle Pop! in
the PNC theater
to your right as
you enter the
theater building.
You will go
through this door
to get there.

If you need to take a break from the performance at anytime, there is a Quiet Zone down the hall and to the right. We will make sure it feels comfortable for you and your loved one. Come back to the show when you feel ready to do so.

The restrooms are across the hall from the Quiet Zone.

Friendly Reminders Before We Begin:

Use the restroom and wash your hands.

Wear your mask. (If you are able.)

You don't have to do anything you are not comfortable doing.

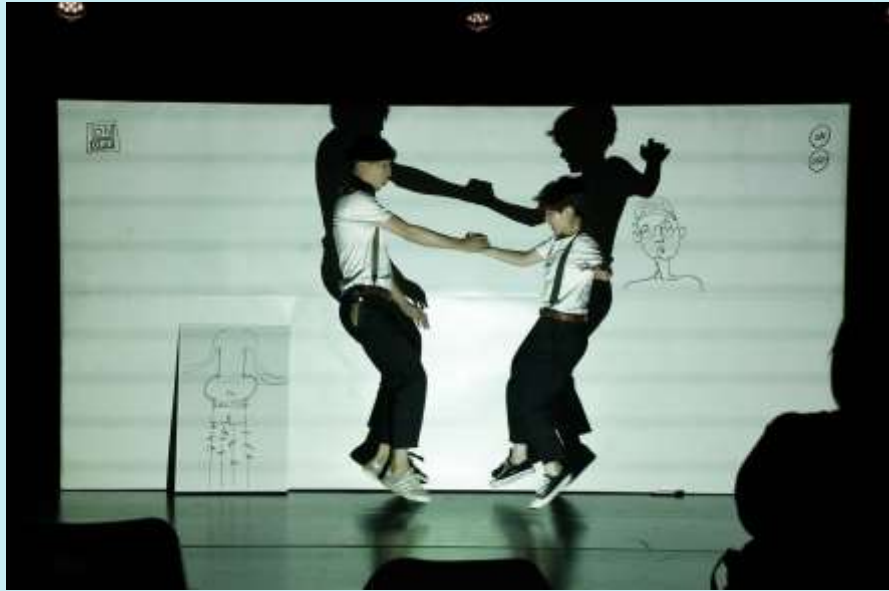

We are excited to meet you!

People at the show might clap if they are enjoying what they see.

If you think the clapping is too loud, you can cover your ears.

At the end of the show you might walk around the Children's Theater Festival. You will find lots of other fun activities.
